Chapter 1 by Story Wars

I am a warrior for the female side. One of the younger warriors, I am only 15. My name is Cleo. Let me tell you the history of my people and how The Feud sperated men from women.

The Feud was a rebellion from the dawn of time. Women where tired of answering to the call of men. They learned to be warriors and formed an army. They rebelled and defeated the men. Now women and men live seperated, only to meet once a year under truce to repopulate.

Now things are changing The Feud is worse than ever. Soon it will be war. We will no longer be able to repopulate and human kind will die out. An organization has formed in secret from the Law of both men and women to try to save human kind. I am one of those in the organization. So are my friends Zara and Areil.
